

Bruce Banner

Bioinformatics Scientist

SUMMARY

Bioinformatics Scientist with 10+ years of experience. Bioinformatics scientist analyzing genomic sequences and building big data pipelines for biomedical startups.

SKILLS

Python, Pandas, NumPy, Data Science, SQL, Linux, Git

EXPERIENCE

Research Fellow at GammaGen (2016-Present)

- Developed python-based sequence analysis algorithms.
- Optimized large dataset analysis with Pandas and NumPy.

EDUCATION

PhD in Biochemistry & CS, Berkeley
